

SAN ELIJO JOINT POWERS AUTHORITY
Cardiff by the Sea, California

MAINTENANCE MECHANIC I
Salary: \$4,043 - \$5,689/Month
Or,
MAINTENANCE MECHANIC II
Salary: \$4,649 - \$6,542/Month

Only one position open

The San Elijo Joint Powers Authority (SEJPA) owns and operates the San Elijo Water Reclamation Facility, the San Elijo Ocean Outfall, 17 miles of recycled water distribution pipelines, two recycled water reservoirs, and operates and maintains nine wastewater lift stations.

Under direct supervision of the Chief Plant Operator and functional supervision of a Sr. Maintenance Mechanic, performs mechanical and electrical repairs, maintenance and installation, and light construction activities at a wastewater treatment plant, pumping stations and water reclamation facility. Performs other related work as required.

The position requires a high school diploma/GED, college degree is desirable, and one plus years experience in the maintenance and repair of water or wastewater equipment. CWEA Mechanical Technologist Certificate desirable. Must have a valid CA driver's license.

SEJPA will accept applications until position is filled. Applications are available online at www.sejpa.org. For questions, please contact Marisa Buckles at (760) 753-6203 x74 or e-mail your questions to bucklesm@sejpa.org.

Resumes will not be accepted in place of a completed application.
